

## 10 Script ideas that will make subscribers come back for more, and then more!

*Remember: Just go as far as you are comfortable! If something is too extreme for you just reach out to us and we find a solution together.*

This structure is highly effective for us to get the subscriber to pay more and more. Feel free to use any type of script you would like. Different colors of lingerie, other type of scripts, anal. Just try to stick to the structure as is used below.

### Script #2 : Secretary

- **Pic 1, 2, 3** : Wearing secretary outfit and posing sexy (only show boobs in one pic, in the others stay clothed)
- **Video 1 (1-2 minutes)**: Undress from fully dressed to showing and playing with boobs (Feel free to talk dirty "you like that don't you, ... etc)
- **Video 2 (2-3 minutes)**: Continue playing with boobs and undress more. Slowly show pussy towards the end (Tease and say things as "That makes you hard, doesn't it?")
- **Pic 4**: Show yourself with boobs and hold a vibrator/ dildo in front of you
- **Video 3 (3-4 minutes)**: Start playing with vibrator/dildo and talk dirty, don't cum and make sure you tell him to not cum yet either.
- **Video 4 (4-5 minutes)**: Make yourself cum with vibrator / dildo. Be thankful, tell him how much you enjoyed it (be mindful this will only be shared to someone that pays a lot more than other subscribers). You could include some jerk off instructions on how to do it and when he needs to cum so you can cum together.
